While best endeavours have been used to provide information in this publication that is true and accurate, The Avenues Austral, its consultants, agents and related entities accept no responsibility and disclaim. All liability in respect to any errors or inaccuracies it may contain. Prospective purchasers should make their own enquiries to verify the information contained herein. This plan is indicative only, is not to scale and may be amended at any time without notice. Sewer locations, dimensions, areas & easements are approximate only and based on Pre-DA approved plans and Austral Nominee Pty Ltd accepts no responsibility for the accuracy of this information. Purchasers must rely on their own enquires and the Contract for Sale. Final easement and restrictions on use of land will be set out within the 88B instrument accompanying the final plan of subdivision. Purchasers are to make enquiries at Sydney Water for final sewer locations and Council and other servicing authorities for other services prior to commencing building. Unless otherwise stated herein, Austral Nominee Pty Ltd will not contribute to the cost of any boundary fencing.
